Art And Craft - Grade 4

Question Paper

1. Which of the following is a benefit of using recycled materials for leaf printing?

- A. Less impact on the environment
- B. More expensive materials
- C. Limited design options
- D. Lower quality prints

2. Which of the following is a benefit of using the smudge technique in drawing?

- A. Creating depth and dimension
- B. Making the drawing shiny
- C. Adding more details
- D. Simplifying the drawing process

3. What is the purpose of the sail in a kite sculpture?

- A. To add weight
- B. To add color
- C. To provide support
- D. To generate lift

4. What is the Pinch Technique used for in Indigenous Kenyan Pottery?

- A. Shaping a small container
- B. Adding details to the surface
- C. Making large pots
- D. Creating handles for cups

5. What is the primary tool used in crayon etching?

- A. Pencil
- B. Scissors
- C. Paintbrush
- D. Crayon

6. It is a form of visual art wherein a person uses different drawing instruments to build upon a sketch

- A. Sculpturing
- B. Painting
- C. Drawing
- D. Sketching

7. What is the symbolic meaning of the spiral pattern in Kenyan pottery?

- A. Love and unity
- B. Eternal life
- C. Protection and safety
- D. New beginnings

8. Which technology can be used to digitize hand-drawn lower and upper case lettering?

- A. Typewriter
- B. Photocopier
- C. Fax machine
- D. Scanner

9. The first step when we making a Line & Shape drawing is?

- A. Paint the object
- B. Bold the lines
- C. Draw the objects and fill them with line
- D. Cutting the paper

10. Which of the following can be used as a tool for hand printing patterns?

- A. Potato stamps
- B. Lego blocks
- C. Crayons
- D. Sewing machine

11. How can artists improve their understanding of tonal variation?

- A. By using only primary colors in a painting
- B. By practicing shading techniques
- C. By choosing bright colors for their paintings
- D. By painting without a reference image

12. Which type of puppet allows the puppeteer to create more dynamic movements and interactions on stage?

- A. Marionette
- B. Tick/rod Puppet
- C. Hand Puppet
- D. Glove Puppet

13. Which type of kites are known for their intricate designs and craftsmanship?

- A. Bird kites
- B. Delta kites
- C. Box kites
- D. Parafoil kites

14. What is the name of the technique that involves folding paper to create 3D objects?

- A. Origami
- B. Decoupage
- C. Tye and Dye
- D. Block Printing

15. What is the technique of using a pointed tool to incise lines into a surface called?

- A. Encaustic
- B. Pointillism
- C. Sgraffito
- D. Grisaille

16. Which type of lighting is often used in still-life drawing to create strong shadows and highlights?

- A. Candlelight
- B. Diffused lighting
- C. Spotlight
- D. Fluorescent lighting

17. What is the primary purpose of twining?

- A. To make baskets
- B. To produce fabric
- C. To create jewelry
- D. To make sculptures

18. Which body part is used for drinking water or eating food?

- A. Mouth
- B. Feet
- C. Nose
- D. Hands

19. What is the term for the technique of capturing the essence or gestalt of a human figure with simple, quick lines?

- A. Pointillism
- B. Abstract art
- C. Gestural drawing
- D. Still life

20. What tool is used for carving designs on a block in Block Printing?

- A. Scissors
- B. Paintbrush
- C. Marker pen
- D. Chisel

21. Which drawing tool is commonly used for creating intricate details in still-life drawings?

- A. Watercolor markers
- B. Charcoal
- C. Oil pastels
- D. Graphite pencils

22. Which shape has eighteen sides?

- A. Circle
- B. Octadecagon
- C. Square
- D. Triangle

23. What is the benefit of using technology in graphic design?

- A. Limited creativity
- B. Decreased quality
- C. Slower workflow
- D. Increased precision

24. Which of the following is NOT a combined paper craft technique?

- A. Quilling
- B. Kirigami
- C. Decoupage
- D. Origami

25. Which of the following tools is used to transfer the pattern onto the fabric in block printing?

- A. A. Paint roller
- B. D. Stencil
- C. C. Block
- D. B. Brush

26. How do pellets enhance the visual appeal of the artwork?

- A. By making it sticky
- B. By making it smell good
- C. By adding depth and interest
- D. By making it invisible

27. What is the purpose of sanding the wood before assembling a kite sculpture?

- A. To smooth out imperfections
- B. To protect the paint
- C. To make it rough
- D. To break the wood

28. What is the purpose of creating a thumbnail sketch before starting a crayon etching?

- A. To plan the composition
- B. To speed up the process
- C. To cover up mistakes
- D. To use as a coloring book

29. human forms drawing is also known as

- A. none of the above
- B. paint
- C. still live
- D. portrait drawing

30. Which drawing technique is commonly used in still-life drawing to show shadows and highlights?

- A. Pointillism
- B. Sgraffito
- C. Frottage
- D. Cross-hatching

31. What role does technology play in creating upper case lettering in graphic design?

- A. Optional tool
- B. Primary tool
- C. Obsolete tool
- D. Minimal to none

32. What is the main characteristic of Shakers sculptures?

- A. Minimalistic design
- B. Elaborate decoration
- C. Colorful patterns
- D. Intricate shapes

33. What is the purpose of smudging in drawing?

- A. To create a messy look
- B. To add more colors
- C. To make the artwork smaller
- D. To blend and soften lines

34. What is the term for the technique of shading human forms by creating a gradual transition from light to dark tones?

- A. Pointillism
- B. Chiaroscuro
- C. Blending
- D. Cross-hatching

35. How does the pellets technique differ from other modelling techniques?

- A. It uses only one color of clay
- B. It focuses on creating texture
- C. It involves baking the clay
- D. It does not require any tools

36. Which step comes first in the Pellets Technique process?

- A. Rolling small balls of material
- B. Flattening the balls into discs
- C. Baking the discs in an oven
- D. Dropping the balls into water

37. What is the correct order of steps when making a toy sculpture?

- A. Painting, Shaping, Sculpting
- B. Shaping, Sculpting, Painting
- C. Sculpting, Painting, Shaping
- D. Shaping, Painting, Sculpting

38. Which of the following is a famous painting that features human forms as the main subject?

- A. Starry Night by Vincent van Gogh
- B. Campbell's Soup Cans by Andy Warhol
- C. Guernica by Pablo Picasso
- D. Mona Lisa by Leonardo da Vinci

39. What is the main advantage of using a propeller in a sculpture?

- A. It adds a sense of motion
- B. It makes the sculpture smaller
- C. It makes the sculpture heavier
- D. It makes the sculpture more fragile

40. What is the purpose of practicing free hand upper case lettering?

- A. Uniformity
- B. Speed
- C. Creativity
- D. Precision

41. What technique is used to secure the edges of a woven mat on a serrated card loom?

- A. Leaving it loose
- B. Adding glue
- C. Cutting the edges
- D. Tying a knot

42. Which of the following is a step in creating leaf printed patterns?

- A. Using wet leaves for printing
- B. Cutting the leaves before printing
- C. Adding glitter to the artwork
- D. Using a heat gun to dry the paint

43. What does the technique of Embossing involve?

- A. Folding paper
- B. Cutting paper into shapes
- C. Creating raised designs on paper
- D. Layering paper cutouts

44. What is the purpose of blending colors in leaf printing?

- A. To increase drying time
- B. To make the artwork heavier
- C. To make the colors brighter
- D. To create depth and dimension

45. What is a common theme for double strand necklaces inspired by nature?

- A. Space
- B. Desert
- C. Ocean
- D. Jungle

46. Which type of drawing tools are commonly used for the smudge technique?

- A. Crayons
- B. Markers
- C. Paintbrushes
- D. Pencils

47. Which technique involves using your fingers to blend and smudge the lines in drawing?

- A. Cross-hatching
- B. Pointillism
- C. Stippling
- D. Finger smudging

48. What impact can digital tools have on the accessibility of graphic design for beginners?

- A. Increasing learning curve
- B. Expanding creative possibilities
- C. Promoting traditional methods only
- D. Limiting progress

49. Which of the following is a characteristic of texture patterns in art?

- A. They are only visible under UV light
- B. They are only found in nature
- C. They can be felt by touch
- D. They are always the same

50. Which tool is used to create sharp edges and precise lines in a painting?

- A. Blending stump
- B. Palette knife
- C. Sponge
- D. Paintbrush
